ACADEMIC POLICIES

Standards for Student Achievement

Students are encouraged to finish their coursework in a timely basis and within the specified time given to finish a program. All programs are divided into courses or modules. At the end of each course or module, a test or a project are assigned to evaluate student progress. You must refer to the guidelines offered for the specific course you are taking, in order to assess the number of tests or projects that students are required to take, re-take, or pass. Golden Bridge College's instructors will advise students of their academic progress at the end of each course or module and recommend make-up work, quizzes, tests, modules, as necessary. The approximate number of days that will elapse between the institution's receipt of student lessons, projects, or dissertations and the institution's mailing of its response or evaluation is 10 days.

Grading

Students must complete the required classroom hours of a class or course to receive a certificate. The grading standards are under an "A-F" grading policy. Students must receive a minimum of 80% on all tests or quizzes to pass the class.

To be eligible for graduation a student must earn an overall grade point average of a "B" and above and fulfill the attendance policies.

PERCENTAGE	LETTER GRADE
90% - 100%	A
80% - 89%	B
70% - 79%	C (Not Passing)
60% - 69%	D (Not Passing)

59% and below	F (Not Passing)
---------------	-----------------

A student must receive the following minimum grade ratings to complete the course:

- score of 80% or higher on all quizzes
- score of 80% or higher on all written exams of every course.
- score of 80% or higher on every practical hands-on test.
- Any score below 80% is considered a failing score.

Failed quizzes and tests are Make-up Quizzes and Tests Procedures:

- All students may retake quizzes and tests 24-hours after failing the exam. Students must contact his/her instructor to schedule retakes. Your instructor will inform the office associates which test you are to take. The exam must be taken outside of class hours. Retake times are Monday-Friday (5 pm–6 pm)
- Students who fail the second version of the exam will be required to pay \$20 for the third version of the exam.
- If a student is absent on test day a grade of zero or “F” will be issued for that test. The student can make up the missed test. The test must be made up the next available date the student attends school. If a student fails to make up test on the next available day, then the zero will be the final grade. The student must retake the test the next available day at the institution. Students who miss a test due to an approved Leave of Absence (LOA) or suspension will not receive an initial grade of zero or “F” but must make up the test upon return from the LOA. The school will work with the students to come up with an education plan to take the missed tests in a timely manner.

Attendance Policy

Students are highly encouraged to attend all class sessions. If a class is missed, it is the student’s sole responsibility to make up any coursework, assignments, quizzes, or tests. Frequent tardiness and/or absences are the cause of disciplinary action such as probation or dismissal. Attendance is measured in clock hours and student attendance in all scheduled activities is expected to meet graduation requirements. The following policies and procedures must be followed to ensure clock hours are accurately documented.

1. Absences - Attendance is taken daily. Students should notify the Administrative Office, supervising instructor, and school receptionist of expected absences in advance by completing an electronic Courtesy Form at the reception desk. In the event of an unexpected absence (i.e., illness, emergency), students should call the front desk as soon as possible.

2. Tardiness/Leaving Early - Tardiness is a disruption of a good learning environment and is discouraged. Frequent tardiness without legitimate reasons may be cause for disciplinary action. Students arriving 15 minutes late for a class or leaving 15 minutes early prior to the end of class will be considered “tardy” or “leave early”. Three times of “tardy” or “leave early” constitute an absence, which may affect the student’s overall attendance and must be made up.

3. Attendance Evaluation - The evaluations occur on the end of every four calendar weeks.

4. Maximum time frame for course attendance

The maximum time which allowed for students to complete each course at satisfactory progress is not exceed 150% of the course length.

5. Makeup Hours - Students who miss scheduled school hours due to absence or tardiness are encouraged to attend the scheduled Make Up Hours (Mon-Fri, 5pm-7pm, Sat 9 am-1 pm, not offered on Holidays) to make up missed hours. Make-up hours must be completed with an instructor and will be charged **at the tuition rate of \$20/hour**. Arrangements must be approved by the administration **before** the class time begins. Making up hours is optional, but students must meet minimum attendance requirements to graduate.

6. Clock hours - Clock hours are the total number of actual hours per week a student spends attending class or other instructional activities that count toward completing a program of study. A clock hour is a period consisting of a 50 to 60-minute class, lecture, or hands on practical in a 60-minute period.

7. Timecard - Each student is required to maintain an individual timecard. The timecard is a way for the staff and students to maintain and track an individual's clock hours, theory hours, and practical operation hours. Minimum requirements in each category must be met before graduation. Student timecard daily records are the property of Golden Bridge College and remain on campus. Students are required to "clock in and out" upon arrival, lunchtime, and departure time, utilizing a biometric (finger scanning) time clock.

8. Lunch – Students who attend class for 8-hour period are required to take a thirty-minute lunch break. Students are allotted a thirty-minute lunch period to be taken between 12:30 p.m. and 1:00 p.m. Students must notify the instructor and reception desk if they deviate from their scheduled thirty-minute lunch, i.e., earlier than scheduled or extended beyond thirty minutes. Failure to clock out or back in from lunch could result in loss of attendance hours for that period. Repeated instances of failure to clock out for lunch may result in a written counseling form, suspension and/or requirement to meet with the school Director.

9. Breaks - Students are allowed up to two 10-minute breaks per class day.

10. Leave-Of-Absence – Written requests for leave will be considered at the discretion of the school administration. A leave of absence will be granted for emergencies only. A leave of absence must not exceed 60 days during the program.

Students may request a leave of absence exceeding 60 days only for medical reasons. It is the student's responsibility to contact the school after a leave of absence to continue their program.

SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at GBC. To maintain Satisfactory Academic Progress (SAP) as established by this institution students must:

1. Maintain a cumulative academic grade point average (GPA) of "B" (80%) or better at the end of each evaluation period. GPA includes grades obtained in exams for theory classes and practical grades obtained on hands on practical exams.

2. Maintain a cumulative average attendance level of at least 90% of the scheduled hours indicated on their enrollment contract at the end of each of the evaluation periods.

3. The maximum time which allowed for students to complete each course at satisfactory progress is not exceed 150% of the course length. The length of the course as stated in the enrollment agreement. For example, if the student has contracted to complete the course within 15 weeks (including grace time for absences), he or she must complete it within 23 weeks.

4. Students meeting the minimum requirements for attendance and academic progress at any evaluation point will be making satisfactory progress until the next evaluation.

5. Students are given monthly progress reports, which show their academic and attendance percentages. If students' academic grade point average 80% or higher and attendance percentage are 90% or higher, they are maintaining satisfactory academic progress.

Graduation Requirement

When a student has completed the required clock hours, all assignments, all assessments for his/her course of study with 80% cumulative grade average, 90% attendance, and payment has been made in full, the student is awarded a diploma certifying his or her graduation.

Probation and dismissal Policies

Students will be dismissed or suspended from classes or courses if they are disruptive or exhibit inappropriate behavior within the classes, or if they miss more than 10% of a class, or if they do not meet the minimum requirements for satisfactory academic progress. Students with 14 consecutive days of absence will be withdrawn. In addition, students who fall below 90% of attendance will be placed on attendance probation and are allowed a maximum of thirty days to raise their attendance to meet the required percentage. A record of progress and all classes or courses completed will be kept in the student's file in the administrative office. Once the student is put on probation, they will be evaluated at the next evaluation point. If the student meets the required attendance percentage at that evaluation point, the student is removed from probation and is notified in writing of having achieved good attendance standing. The Director of Education may temporarily suspend students whose conduct is disruptive or unacceptable to the academic setting. After appropriate counseling, students who demonstrate a genuine desire to learn and conform to school standards of conduct, may be allowed to resume attendance. The director will review each case and decide upon re-admittance. Termination also may be the result of a student violating the following policies: a) satisfactory academic progress, b) attendance policy, c) the conduct policy.

Reinstatement

The appeal process may reinstate a student who has been terminated for failing to maintain satisfactory academic progress or attendance. The reinstatement process must have the approval of the Director. A student may be reinstated only once.

Distance Education

Golden Bridge College offers distance education for certain programs to students anywhere in the United States who cannot physically attend any of our schools. We use Google Meet for visual and oral instruction. Coursework and projects may be turned in online. Feedback, evaluations, and grades are provided online to the student.

The instructor can only access the student's screen after receiving permission from the student. Golden Bridge College will provide a link for the students to join Google Meet via their computer. Once Google Meet is enabled on the student's computer, the instructor may not access the student's computer without receiving permission through a

computer form or dialog box. This program is to be used only during class. It is the student's sole responsibility to uninstall these programs at the end of their course.

Program Changes

We will make every effort to notify students of such changes in advance to allow them to book accommodation in a timely manner.
